Thank you very much for checking up on that. Sorry for any confusion.

After reading this reply, I am beginning to suspect that it's what I named the file when I saved the last City transmittal (I like file names that tell me what something is without having to open the file, so I have a tendency to rename meaningless file names, such as those that are the default names/numbers assigned by many systems and PDF scans, etc. The funny thing is that I thought it was an actual report name (I have no recollection of so renaming it.) I spent 10 years in government, so it figures that I would name it something that sounds like an official report, and then before emailing you, I went to see what it was named so I could be precise in asking for it. Ha.

Sorry for the confusion - accidental!

Tara,

It looks like the EFT has been set up and you should be receiving a transmittal this week. I'm not sure what the Assessment Revenues Available Report is. I've asked our billing and accounting sections and neither one has a report with this title. Can you give me more information?

Thanks.

I wanted to follow up to see:

1) if the ACH/EFT transfer setup is now complete

2) if any 2018 revenues are available for invoicing (I haven't seen an Assessment Revenues Available Report, and am unsure of the timing of its issuance)

Thanks!

Tara,

The EFT has not yet been set up. Accounting is working on it now.

Thank you, Tara. As I mentioned, we do need the original hard copy together with a voided check. As soon as I receive them, I will submit for processing.

Thank you, Rita, for identifying that. I have very complete files, but couldn't locate a vendor #. If you email it to me when you identify it, I'll add it to my files so I have it for the future -- in case it's needed again.

The first attachment is the executed form. I am authorized to execute this form on behalf of VBPOA. Our Board President, Mark Sokol, and Treasurer, Steve Heumann, are cc'd here as you suggested.

The second attachment is from our bank. They asked me to

furnish it to anyone who is ever doing an ACH transfer to us. It's mostly duplicative to the City form, but kindly attach it to the form as it does contain a little extra information that might be important (please see the highlighted line.)

Thank you very much. Please let me know if you need anything else to process this.

I'm not sure what your City of L.A. vendor number is, but attached is the W-9 and BTRC you submitted. Leave the L.A. vendor number blank and I'll figure it out.

Thank you. I will send it shortly as you requested. I've combed our docs, but am having trouble locating our vendor #. (I have our contract # but I doubt it is the same.)
If you provide it, I will add it to our files.

Hi Tara,

If you want to sign for the BID, after completing the form, please send it to me electronically letting me know that the original hard copy will be sent via USPS or dropped off or whatever and together with a voided check, and copy the president / chair of the board and the treasurer.

I will keep the email as proof of authority to set up the EFT.

Thanks.

I think it might have to be the authorized signatories as stipulated in the contract. I'll confirm with Accounting tomorrow.

Thanks - one question.

The form says authorized principal signature. I am authorized from the Board's POV as their official Interim CEO.

Am I authorized from the City's perspective or does it require Board execution?

Hi, Rita:

I wanted to loop back with you and get the paperwork to set things up so that future Venice Beach BID assessment revenue can be received via EFT transfer rather than check.

Please send me the form(s) and any instructions when you have a chance.

Thanks, and have a great weekend!

Warmest regards,
Tara
